

PRESS RELEASE

#2 - October 2023

In the context of Erasmus+ KA3* Project VISYON, a series of multiplier events during the Erasmus+ Days from October 9 to 14, 2023. These events took place in Greece, Spain, Malta, Romania, Slovakia, Italy and Bulgaria, highlighting the role of the Erasmus+ program in achieving European Youth Goals. Each partner contributed unique and impactful activities to promote the project.

The Italian team executed an engaging online campaign on Instagram, consisting of 9 posts throughout the Erasmus+ Day week. Focused on Youth Goal #9 (Space and Participation for All), the campaign aimed to stimulate community reflection on participation.

EKO Greece celebrated Erasmus+ Week with an Erasmus+ Open Fair on October 11, 2023. Drawing over 50 attendees, the fair showcased various organizations dedicated to youth empowerment through non-formal education. EKO Team presented VISYON's objectives, activities, and results, fostering collaboration among organizations and emphasizing the collective effort to create positive change.

The Foundation for Entrepreneurship, Culture, and Education (FECE) in Bulgaria organized an awareness-raising event at the University of Architecture, Engineering, and Geodesy in Sofia on October 10. Through stands, a short quiz, and engaging activities, FECE successfully brought Erasmus+ initiatives closer to students, with over 50 participants learning about the program and the VISYON project.

In Romania, two events celebrated Erasmus Days. On October 10, 20 students from "Elie Radu" Energetic Technological High School explored Erasmus+ opportunities guided by Ovidiu, a passionate youth worker. The Monomyths Association introduced 25 youngsters in Calarasi to the Erasmus+ Programme on October 13, showcasing the VISYON project. Both events generated enthusiasm among participants, with students expressing eagerness to follow the project closely.

* European Youth Together projects aim to create networks promoting regional partnerships, to be run in close cooperation with young people from across Europe. The networks should organise exchanges, promote training (for instance for youth leaders) and allow young people themselves to set up joint projects, all of which can be done through both physical and online activities.

#2 - October 2023

The Maltese team organized an open mic event as part of the VISYON Project for Erasmus+ Days. Participants took on the role of young broadcasters, discussing the EU Youth Goals, particularly focusing on Quality Employment For All. Coordinated by VisMedNet in Malta, the event featured young speakers exchanging ideas on quality employment. The event was streamed live on Facebook on October 9, 2023, and now is available on [VISYON Youtube Channel](#).

The Slovak team celebrated Erasmus+ Days on the 27th of October, by organizing events at two schools in Nitra, Slovakia. During these events, various opportunities offered by the EU were presented to youngsters, sparking their curiosity to explore the world of the Erasmus+ program. A great focus during these events was given to the VISYON project and its activities, inviting the local youngsters to follow the project's progress and take part in similar initiatives.

The multiplier events conducted by the VISYON project consortium during Erasmus+ Days successfully achieved their objectives. Each partner contributed unique and impactful activities, showcasing the diversity and creativity within the consortium. The events not only raised awareness about the Erasmus+ program but also fostered collaboration, community engagement, and enthusiasm among participants. The collective efforts of the project consortium demonstrated the significance of Erasmus+ in advancing European Youth Goals.
